Any and all sales goes straight to each vendor if any customers buy something from the vendor. Each vendor is responsible for shipping and getting item(s) to customers at their own expense. The website is merely to promote each vendor.

Please make an appointment with **Pastor Heather “Mickey” Smith** from **Living Waters Artistry** to get on the website. She will need what items you sell and prices. Her phone is **630-479-3525**.
